

Missions at First Methodist Carrollton

Missions Goals – revised September 2020

Global Missions

1. Provide multiple short-term opportunities each year for mission and vision travel, prayerfully seeking connections for an outreach within the U.S., a family-friendly starter opportunity, and an outreach to an unreached people group.
2. Help each short-term participant springboard their experience into a long term, ongoing commitment (in a variety of roles).
3. Prioritize support of the long-term missionaries whom God raises up from our own congregation and native leaders.
4. Evaluate our relationship every year with each missionary and ministry we support.
5. Provide missions and cultural training each year to continue to develop world Christians in our own congregation.
6. Keep the pressing need of reaching the unreached people groups of the world before the congregation throughout the year.

Local Missions

1. Provide at least three church-wide opportunities for local missions outreach each year.
2. Identify and establish relationships with multiple ongoing programs or ministries that offer regular opportunities for involvement.
3. Involve the whole church in meeting the physical needs of people in our community through donations, collection drives, etc.
4. Provide training and encouragement for people to build relationships and share their story with people in the community.
